

## International Forum Responsible investments in the CIS region Day 2 – Business meetings day, Russia Roundtables

18 December 2019, IHK Frankfurt am Main, Room Merkur, Börsenplatz 4, 60313 Frankfurt am Main

The second day of the “**International Forum: Responsible Investments in the CIS Region**” fully dedicated to the discussion of the Russian market – the largest and the most developed market of the CIS and Black Sea macro-region. RAEX-Europe will present its annual discussion of the **credit rating of the Russian Federation, overview of the Russian banking system** as well as **of the current financial and economic stance of the Russian regions**. The participants of the Second day will have a unique opportunity to meet high-level representatives of two industrial-agricultural Russian regions – **Tambov and Lipetsk oblast**, as well as to discuss opportunities of doing business in these regions, mutual trade and production localization.
