Participation in the forum is free of charge

Please reply to register your participation by sending an e-mail to info@raexpert.eu

The purpose of the business forum is to present the investment, economic and industrial-innovative potential of Lipetsk region for representatives of the business community in Europe. The event is aimed at attracting investments into the economy of the Lipetsk region.

Within the framework of the business forum, the position of the Lipetsk region in the ESG rating will be presented. ESG (Environmental, Social and Governance performance) rating is an assessment of environmental and social risks, as well as risks of public administration in the Lipetsk region.

Also, the companies that have successfully localized their production in the Lipetsk region will present their experience.

Simultaneous translation from Russian, English and German languages will be provided.
